

**San Luis Obispo County Air Pollution Control District  
Title V Applicable Requirements Form**

This form must be submitted with any application for an initial Part 70 permit, reissuance of an existing Part 70 permit, and any minor or significant Part 70 permit modification. Applications for a permit modification need only supply such information that is related to the proposed change. If alternative operating scenario(s) are requested, items 3 and 4 below must be completed for each scenario and a clear distinction drawn as to which requirement applies to which scenario.

1. Please indicate the reason for this application.
 

<input type="checkbox"/> Minor Part 70 Modification	<input type="checkbox"/> Significant Part 70 Modification
<input type="checkbox"/> Initial Part 70 Permit	<input type="checkbox"/> Reissuance of a Part 70 Permit
  
2. Total Facility Emissions. For an initial Part 70 permit, check one and supply the noted information. Fugitive emissions must be included in the same manner as stack emissions.
  - a. I declare that this facility is a major source, as defined by District Rule 216, and I wish to use the District's most recent emissions inventory as the estimate of my emissions.
  - b. I declare that this facility is not a major source, as defined by District Rule 216, and I wish to use the District's most recent emissions inventory as the estimate of my emissions.
  - c. Attached is a table of this facility's emission unit and total emissions of each regulated air pollutant, in units of tons per calendar year (tpy).
  
3. Applicable Requirements With Emission Limitations. For each applicable requirement that includes an emission limitation, provide the following information. As appropriate, include the name of pollutant and units of measure. Attach additional lists/sheets as necessary.
  - See attachment for the information requested below.
  - a. Describe the applicable requirement and why it is applicable. \_\_\_\_\_.
  - b. The applicable requirement citation is \_\_\_\_\_ and emission limitation is \_\_\_\_\_.
  - c. Emission unit(s) subject to the applicable requirement. \_\_\_\_\_.
  - d. Each emission unit(s) emission rate is \_\_\_\_\_ tpy of \_\_\_\_\_ (pollutant). In terms the applicable reference test method, each unit(s) emission rate is \_\_\_\_\_ and the test method is \_\_\_\_\_.
  - e. Example calculations and the information used to determine emissions, for example: fuels, fuel use, raw materials, production rates, and operating schedules. \_\_\_\_\_.
  - f. Describe the applicable air pollution control equipment, work practice standards, and constraints on source operations that limit emissions. \_\_\_\_\_.
  - g. Other information required by the applicable requirement (including information related to stack height limitations). \_\_\_\_\_.

4. Applicable Requirements Without Emission Limitations. For each applicable requirement that does not include an emission limitation, provide the following information. Attach additional lists/sheets as necessary.
- See attachment for the information requested below.
- a. Describe the applicable requirement and why it is applicable. \_\_\_\_\_.
- b. The applicable requirement citation is \_\_\_\_\_.
- c. Emission unit(s) subject to the applicable requirement. \_\_\_\_\_.
- d. Other information required by the applicable requirement. \_\_\_\_\_.
5. Proposed Exemption. Provide an explanation of any proposed exemptions from otherwise applicable requirements. \_\_\_\_\_.
- See attachment for the requested information.
6. Insignificant Activities. For initial issuance or reissuance applications, provide a list of all emissions units that are designated insignificant activities because of size or production rate.
- See attachment for the information requested below.
- a. Describe the equipment. \_\_\_\_\_.
- b. Provide the basis for identification as an insignificant activity (Rule 201 citation). \_\_\_\_\_.
7. I certify that, based on information and belief formed after reasonable inquiry, the statement and information in this document and supplements are true, accurate, and complete.

Signature of Responsible Official \_\_\_\_\_ Date \_\_\_\_\_
